**Saturday, August 10, 2024**

**9:30 am - Noon**

**French Broad River Park**

Hi everyone, I hope you have been enjoying this summer and are ready to catch a breeze down by the river and paint under the shade trees. Come and enjoy studying how the light is dancing on the French Broad, or how the morning light is revealing so many colors of greens. Starting time is 9:30 until about noon or when you arrive and get ready to leave.

The CAR PARK for the park is off Amboy Road and has the dog park. If it rains we will paint in place. All our members are invited to join in no matter where they live.

There will be an online show of the work that is done for this Plein Air Event.

**To be included you will need to send a photo of your painting to**
