

APS ADVENTURES IN PASTEL 2024!

Adventure F-2

 *Musical Matchmaker*

Welcome to Adventure F-2!

For this adventure, your challenge will be to find a song or musical title that will make a good match for your painting. You can use that title as the title of your painting and can either choose the title first then do a painting to fit OR do the painting first and then find a suitable title.

For example, a song title that might fit Grant Wood's famous "American Gothic" painting could be "Our House" by Crosby, Stills, Nash.

Other examples might be "Little Green Apples" (Glen Campbell), "Ebbtide" (Righteous Brothers), "Ain't No Mountain High Enough" (Diana Ross), etc. There's even a song title for a "failed" painting- "Another One Bites the Dust" (Queen)! If you Google "song title lists", you will find several long lists of songs as well as artist/release dates to choose from. You might even find some old favorites that you had forgotten about.

Choose any subject and any title you think might be a good match for each other. Use the song title as the title of your painting. Take a photo of your painting and add your comments about this experience. Include your name, title of song/painting, size and recording artist if you know it. Send to :

apsmedia828@gmail.com.

Hopefully you will have loads of fun with this adventure and maybe you'll even end up singing the song while you paint!!
