

**It's Plein Air!!**

**Saturday, April 12, 2025 9:00 am**

**We are excited to announce that the first APS paint out of the year will be in the downtown of Black Mountain.**

The date is Saturday, April 12th...the time is from 9 am or later.

*\* If it rains, we will not meet.*

We have been asked to not set up to paint on the sidewalks. It is a busy place and the sidewalks are narrow. We can paint in the park, (above) which faces in many directions, the bank across from the firehouse, and at an area down by the depot.

There are many places to eat... and two public restrooms.

Hope to see you there!

Nancy Clausen  
APS Co-chair for Plein Air  
Paint Out Events

*\* If weather doesn't cooperate, we encourage everyone to paint at the place of their own choosing. This can be done outside or inside. We'd like to have everyone painting at roughly the same time.*

There will be an **online show** of the work that is done for this Plein Air Event.

**To be included you will need to send a photo of your painting to**  
[APSmedia828@gmail.com](mailto:APSmedia828@gmail.com) **by 9 pm on April 14th.**

Please name your photo file: Lastname\_Firstname\_Title.

Feel free to make any comments you would like about your Plein Air experience!

**NOTE:** This event is for **current members ONLY**. If you would like to JOIN or RENEW your membership, you can do that on the APS Website...

<http://appalachianpastelsociety.org>

...click the JOIN/RENEW tab at the top of any website page.

**Thank you for your membership and participation!**
